

Red Rock Elementary Drop-off and Pick-Up Procedure

- Please drive slowly and carefully when entering the school parking lot.
- Wait in a single file line along the curb/sidewalk until you can pull up to the drop-off/pick-up area.
- Pull ahead as far as possible before having children quickly exit or enter the car. Children need to enter/exit from the sidewalk side of the car.
- Parents should remain in their cars. If a child needs assistance, please park in the parking lot.
- Follow the ONE-WAY traffic signs and the direction of the crossing guards when leaving the parking lot.
- Note: There will only be one lane of traffic coming into the parking lot and one lane of traffic leaving the parking lot. Please wait patiently in line to come into the parking lot and do not drive around cars to enter in between incoming and outgoing lanes. The only exception to this is at the end of the school day. A second lane of incoming traffic will be allowed.

Other Reminders:

- DO NOT PARK** in the Fire Lane (highlighted in yellow on the map). If you need to get out of the car to accompany your child into the building, you must park in a space in the parking lot, not at the curb.
- The handicap spot is for drivers who have a legal handicap tag.
- Children are not allowed to use the crosswalk into the parking lot without a parent or adult.
- Children are not allowed to enter/exit vehicles that are in line on Commonwealth Avenue.

Thank you for following the procedures to ensure that our students are safe.
