School Hours:
7:55 a.m. - 2:25 p.m.

Red Rock Elementary School is one of **16** South Washington County elementary schools.

RRES has **85+** caring staff members who encourage and personalize learning for each student.

645+ students are enrolled at Red Rock Elementary School.

RRES is part of the Farm to School program which provides students with locally grown, nutritious foods. All meals meet or exceed USDA standards.

6 extracurricular activities allow each student to find their own passion.

Seesaw is an online learning platform that helps RRES students, parents and teachers coordinate learning.

Spotlight on RRES

Red Rock Elementary School is a collaborative community of lifelong learners that is preparing students for a changing world. At RRES, teachers and staff work closely with students and their families to help every student grow academically, socially and emotionally. Red Rock students have the opportunity to take part in fine arts through participation in art, band, choir and orchestra. RRES students can also participate in Safety Patrol, Lego Robotics, the News Network and much more.

RRES teachers work together to help each student reach his or her goals. In addition, teachers personalize learning by meeting with students before the start of the school year and continuing to work one-on-one with students throughout the year. RRES welcomes community involvement and hosts several community events during the year. The school also has an active and welcoming Parent Teacher Organization (PTO).

“ ”

“Red Rock Elementary School is a caring community, dedicated helping all students reach their full potential by nurturing not only their academic achievements, but also by developing strong social and emotional skills to thrive in our ever changing world.”
– **Jennifer Holt, RRES Principal**
